Subject Travelling allce bills of the Amildars of the Shikarpur and the Nagar Taluks for the months of Decr 1902 and March 1903 respectively.

Memo Nr 903 d: 22nd August 1903 from the Revenue Commr in Mysore.

The Amildar of the Shikarpur Taluk proceeded to Shimoga to attend the Local Fund Meeting He performed the journey ~~partly on the 18th~~ on his way to Shimoga, partly on the 18th and partly on the 19th Decr 02 and on his return therefrom partly on the 21st and partly on the 22nd Decr 1902. The journeys performed on the 18th and the 22nd Decr 1902 were within the limits of the Taluk. The Comptroller disallowed the travelling allce claimed for those journeys under art: 532 (a) of the

2. Similarly, the Amildar of the Nagar Taluk proceeded to Shimoga to arrange for the camp of the Revenue commr. who was on tour. On the 11th and the 16th March 1903, he performed the journeys within the limits of his Taluk. The camp writer disallowed the claim for travelling allce for these journeys.

The Dy commr. Shimoga Dt. has now submitted, through the Resident the travelling allce bills of these two Amildars and solicited sanction to the disallowed items. He says that the rule works hard, that the ~~Amildars~~ journeys must be held to have commenced from the Station the officers started from on public duty connected with the main purpose of the journey, whether a halt was or was not made during the course of the journey in a place within the Taluk and that the Amildars should be given the travelling allces claimed.

Art 532 (a) of the Mysore Service

Service Regulations prescribes that Amildars and Deputy Amildars are entitled to travelling allces when travelling beyond the circle of their jurisdiction on public duty. It is not clear whether they are entitled to travelling allce for the entire journey, including such part of it as is within their jurisdiction.

In British India, the claim now advanced by the Amildars is allowed. Art: 1039 of the B. C. S. Regns on the subject runs as follows:—

"The pay of the offices named in Appendix 20 has been fixed so as to compensate them for the cost of ~~the~~ ordinary journeys (other than journeys by rail or steamer) within their respective jurisdictions, and they are not entitled to travelling allce for such journeys. When travelling by rail or steamer within jurisdiction, they are entitled to travelling allce

*Tahsildars & Tahsildar offls are included.

all^ce under art. 1011 & 1032

When proceeding under proper authority beyond their Jurisdiction, they are entitled to travelling all^ce for the entire journey including such part of it as is within their jurisdiction.

I do not certainly understand why an amildar should leave his Taluk and go all the way passing through another Taluk to Shimoga to arrange for the camp of the Revenue Commr. I want to know the particulars."
